Initial assessment session – \$220 (includes a report back to your GP or referrer if required)

Individual therapy session (50 minutes) - \$190

Dr Amy Granberg – Clinical Psychologist

Initial assessment session – \$210 (includes a report back to your GP or referrer if required)

Individual therapy session (50 minutes) - \$180

Brief liaison with family members and other health professionals is included in the standard session fees.

Report writing and formal liaison

All report writing, and formal or extended liaison (including phone calls) is charged at the individual clinicians' hourly therapy rate.

Payment

Payment would be appreciated at the time of the consultation. However, if someone else or another agency is funding sessions, then we're happy to invoice elsewhere. We accept eftpos, credit card (with a 2% surcharge), or direct bank transfer.

Cancellation policy

We are a busy practice with a waiting list. When you book an appointment, that time is kept for you and is not available to others. We ask that you please give at least 48 hours when cancelling or rescheduling an appointment. For sessions cancelled with less than 24 hours notice, the full session fee is payable.
